## HEALTH FACILITIES

College health facilities provide a range of services to students and staff. Common offerings include:

- **Basic Medical Care:** Health centers staffed by nurses or doctors offer first aid, treatment for minor illnesses, and over-the-counter medications.
- **Mental Health Support:** Counseling services address emotional and mental health concerns.
- **Health Education:** Programs promote awareness of various health issues like nutrition, mental well-being, and substance abuse.
- **Ties with Local Hospitals:** Partnerships ensure access to specialized care when needed.
