

Smart Classrooms

The College has five Smart Classrooms, one each at the Business wing, Computer Applications wing, Engineering wing, MVP Campus and Dwarakanagar. Each of the Class room is equipped with Return Star- IQ Interactive White board, LCD Projector, Public Address system, Mixer Amplifier, Speaker System and wireless Microphones.

Class in session

The Classrooms are extensively used by all programs in delivering ICT Classes. The interactive Smart Board aids in delivering effective PowerPoint presentations, Audio Video learning and improving presentation skills of the students.
