PLACEMENT REPORT FOR THE ACADEMIC YEAR 2018-19

Department of Training and Placement(TNP) of the Engineering and Technology program conducts training and assessment programs for all students who satisfy eligibility criteria for on-campus placement drives every year. This department counsels the students and provides necessary support in order to make the students ready to attend the interviews. They also conduct in-house seminars and maintains continuous rapport with alumni for conduct of mock interviews, seminars and workshops on latest technology and to share their experiences on the requirements of the industry. This year mock written examinations are conducted every night/weekly, which helped us increase the number of selects in campus drives. The students of final year during the academic year 2018-19, 63 got offer letters both in ON and OFF Campus out of the total 76 eligible students.
