

Placement Officers Message:

I consider it to be an honor and opportunity to present to you a group of young, dynamic individuals who have been groomed to face challenges that lie ahead for them in the industry and corporate world as a whole. This is an era of technological innovations. Our constant endeavour to impart value based education and develop average student into a corporate citizen. We arrange activities like, Guest Lectures, Live Projects, Presentation, etc., has been regularly conducting industry oriented training programs such aptitude training, soft skill trainings, financial & derivatives etc. from renowned trainers and industry leaders. I also express my sincere gratitude to all those organizations who have extended their active co- operation to the department in accomplishing its endeavor successfully. It is indeed a honour to present our students to your esteemed organizations and I look forward to your cooperation in the placements of our students.

Training and Placement Cell:

At this juncture, it's my immense pleasure to address you all at this gathering. I would like to take the pleasure of addressing the future objectives and plans of our team regarding the placement arena. We are standing **No 1** because of introducing new **approaches and techniques** every year.

This year,

1. Wipro has come forward regarding a future plan of MoU.
2. I will be visiting Bangalore to have discussions with the companies for further placements.
3. Exclusively for the branches of Life sciences and Statistics, we are planning the programme of SAS.
4. Our major objective is to offer 100 % campus selection for the students who are eligible and also we are here to make them sustain with confidence and possess the required traits.

The training and Placement cell comes forward with **4 programs** like

1. Training & Placement Assistance.

2. Tata Affirmative Action Program associated with TCS.
3. Training by Skill Development of Andhra Pradesh.
4. Innovative Ideas.

1. Training and Placement assistance :

We provide

- a. Training classes of **quantitative aptitude, logical reasoning, verbal ability and interview skills**.
- b. **Pre assessments and Post assessments(Online)**.
- c. **Mock interviews** are conducted **twice** by **sister institutes faculty** and **old students** of Gayatri Vidya Parishad college for Degree and PG Courses.
- d. **Technical training by Industry Expert**.
- e. We are also emphasizing on the improvements of coding skills through **Hackerrank.com** trained by me.
- f. We are also planning to organize 5 workshops namely
 - Ethical Hacking
 - Web Designing and Development.
 - Android Development
 - Big Data Analytics
 - Internet of Things (**IoT**)
 - SAS Programming

Through these workshops, our objective is to make the students be innovative and creating in developing their own **websites and android apps**.

2. Tata Affirmative Action Program associated with TCS:

TCS scrutinized 40 students during their second year on the basis of financial background. They train on business skills, quantitative skills, logical skills and one technical skill. MoU exchange with TCS and they started training.

3. Training by Skill Development of Andhra Pradesh:

Skill development of Andhra Pradesh gives training to our students besides organizing placements through skill development of Andhra Pradesh.

4. Innovative Ideas:

Our major objective and goal is to provide **financially strong Startups** by the end of the academic year. So that, we are planning to motivate students, grab the ideas from students, analyze it, inviting investors to the college and fund it.
