Inauguration

The 28th of September, 2022, marked the inauguration of the ACM Student Chapter for the Academic Year 2022-2023. The Chief Guest for the event was Sri Sitarama Garu, General Manager of Candela Technologies, who enthused the students with innovative ideas that are very essential to thrive in the corporate world. Dr.S.S.V.R kumar, Assistant Professor of CSE Department introduced ACM to all the students. Dr.N.V Ramana Murty, Professor&HOD, Department of CSE, Dr.B.V.Ramana Murty, Professor & Director, E&T Programm, Prof.S.Rajani, Principal and Prof.P.Somaraju Garu Shared their valuable messages to the students. All Deans, HOD's from various departments and students witnessed the inaugural of ACM Student Chapter.

Networking and Emulation Testing Workshop

Overall, 30 Students from 3/4 CSE Participated in the workshop and gained more knowledge about Networking and testing concepts. Students were given a project at end of the day and showed their presentations to the panel members.

It started on 28th September and ended on 29th September. The workshop was conducted in collaboration with Candela Technologies.

Workshop on Node.js

The hands-on workshop was conducted for all 3rd and 4th years on 28th September. Total 90 students were enrolled and were given a brief understanding about the Node.js Framework And were taught to design some applications. This enabled them to further learn to build applications using Node.js and given real time use cases to solve and go about.

Speaker: Mr.Bharath

Coding Competition

The hands-on coding competition was conducted for all 3rd and 4th years on 29th September. Total 60 students were enrolled. Competition was held on Hackerrank Platform. A total of 23 coding problem are given and 3hrs was allocated to solve all the problems.

Hackathon

It was conducted on 29th September. A total of 15 teams were registered. Participants brought their ideas were assessed by an assessment panel of Industry persons, who appreciated them.

Poster Presentation

It was conducted on 30th September. A total of 15 members were registered. Participants brought their posters were assessed by an assessment panel of faculty members.

Paper Presentation

It was conducted on 30th September. A total of 15 teams were registered. Participants brought their presentations were assessed by an assessment panel of faculty member

Prize Distribution:

The best in each category received awards and prizes from the jury. Volunteers were also appreciated in behalf of their duties. The event ended with the resolution to make it a permanent part of the events calendar of ACM.
