DEPARTMENT OF CIVIL ENGINEERING

Prof. P.V. Vinay and Prof. K.S. Bose spoke on the importance of core engineering and need for skill and competency. They also emphasized on the importance of chapters as such in building the technical knowledge.

Sri.D.V.S. Kameswara Rao who is an eminent civil engineer with 40 years of industry experience spoke on the importance of knowledge on Soil mechanics in Civil Engineering structures.

Prof.C.N.V. Satyanarayana Reddy congratulated the department and gave an insight into the future ahead of them. He spoke about the role of the IGS Student chapter and limitless scope of being a Civil Engineer in the upcoming years, and what they can contribute to society as an Engineer. Further he wished all the best for the students.

The chairman of IGS Visakhapatnam Chapter
addressing the students

Felicitation to the chief guest

The inauguration function ended by the vote of thanks presented by K.Sai Krithika, 3rd Year Student. She extended her heartfelt gratitude to all the dignitaries and participants.

The inauguration was a resounding success, setting the stage for future initiatives that will promote knowledge sharing and technical excellence among aspiring engineers. The event finally came to a close with the National Anthem.
