Gayatri Vidya Parishad Society was founded in the year 1988 and the founder President

of the society was Dr Bhavaraju Sarveswar Rao, a renowned economist from Andhra University who later served as Vice Chancellor of Acharya Nagarjuna University. Dr PS Rao, former Dean of IIT Madras and a renowned Structural Engineer is the present President of Gayatri Vidya Parishad. Dr P Somaraju an eminent Mathematician is the Secretary of the Parishad. The

Gayatri Vidya Parishad is proud to have renowned erstwhile Vice-chancellors, academicians, Engineers, Legal luminaries, Industrialists, Entrepreneurs, philanthropists, and elites of Visakhapatnam on its Governing Body.

The Gayatri Vidya Parishad Society's decision to establish an exclusively Women's Engineering College i.e. "*Gayatri Vidya Parishad College of Engineering for Women*" in short GVPCEW marks a significant step towards fostering inclusivity and empowerment in the field of engineering education. Founded on the belief that diversity drives innovation, the Society aims to provide a supportive and conducive environment where women can excel in the traditionally male-dominated field of engineering.

The GVPCEW is not just about imparting technical knowledge but also about instilling confidence and leadership qualities in its students. By focusing exclusively on women, the Society addresses the unique challenges and opportunities faced by female students in pursuing engineering careers. The curriculum is designed to be comprehensive, integrating theoretical knowledge with hands-on practical experience to ensure graduate women are well-prepared for the demands of the industry. Emphasis is placed not only on academic excellence but also on holistic development, nurturing talents in areas such as communication, teamwork, and entrepreneurship.

Beyond academics, the college promotes a culture of inclusivity and empowerment. It provides mentorship programs, networking opportunities, and access to industry professionals to help students build strong professional networks and succeed in their careers. The GVPCEW also encourages research and innovation, supporting initiatives that contribute to technological advancements and societal development.

In addition to academic pursuits, the GVPCEW is also committed to promoting social responsibility among its students. It encourages participation in community service projects and initiatives that address pressing societal challenges, thereby fostering a sense of civic duty and empathy among future engineers.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

GAYATRI VIDYA PARISHAD

(Regd. No. 510/88)

Door No. 1-83-21/3, Sector-8, M.V.P. Colony, Visakhapatnam - 530 017, A.P., India

The Gayatri Vidya Parishad College of Engineering for Women stands as a beacon of progress and empowerment, offering a transformative educational experience that not only equips women with technical skills but also prepares them to lead and inspire in the field of engineering and beyond.

Prof. Dr. (Commodore) Raj Kumar Goswami

Principal. GVPCEW

Appointments:

Dr.K.S.Bose, HOD , MBA has taken charge as bof the Gayatri Vidya Parishad College for Degree and Post Graduate Courses (Autonomous). He obtained doctoral degree from the Andhra University and Master of Business Administration degree from the Osmania University.

He authored 5 books relating to business management studies and published 26 articles in reputed National & International Journals.

Giridhar Dittakavi taken charge as **in charge Director,**

MVP and Dwarakanagar

Campus of Gayatri Vidya Parishad College for Degree and PG Courses.

Customer focused business

transformation leader turned Academician with more than **25 years of experience in building/ developing IT organizations, leveraging technologies to solve business issues.** Successfully lead the large-scale Enterprise systems implementations with Global business processes.

A leader with more than 25 plus years in Industry/Academia globally where in 20 years of total IT experience in USA, in which 15+ years in managing large teams on delivering the

tasks on time along with Techno-Functional experience in implementing B2B, SAP/ORACLE APPLICATIONS and Manufacturing Executing Systems (MES) across global plants.

Managed the teams globally on Development, Functional, and Testing teams.

5 years in Academics on the Training and Placement activities and teaching of Business Analytics.

Prof. P.V. Vinay who has taken charge as **in-charge**

director of engineering and

technology programs is a graduate in production engineering, did his post graduate studies from Andhra university in Heat transfer in energy systems and is a doctorate from

Andhra university in mechanical engineering. He has an experience of 22 years in teaching and has worked in different positions as Head of Department of Mechanical Engineering, Dean Academic Affairs during his tenure in the current institution. He has been instrumental in curriculum development and the implementation in accordance with the new education policy. He has 25 publications to his credit having good number of citations for his publications. He was awarded a project from MSME worth 3.2 lakhs for developing a low-cost vegetable cleaning machine. His flair for teaching and learning has enabled him to teach varied subjects in other areas like computer science apart from his parent domain.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

(Regd. No. 510/88)

Door No. 1-83-21/3, Sector-8, M.V.P. Colony, Visakhapatnam - 530 017, A.P., India

Dr. A V Joga Rao currently the **Director of the non-AICTE**

PG Courses was heading the **MHRM** program. He has been serving the Gayatri Degree College for the past **34 years**. From a part-time lecturer for the **BA (IR&PM)** program, he graduated to the level of **Associate Professor in MHRM** course. He was

also ratified as Lecturer for Degree courses in 1994, and **Asst. Professor for MHRM** course in 2006. He has been continuously involved in many academic activities including syllabus preparation for BA HRM courses for Andhra University, paper setting for BA IR&PM course for Nagarjuna University, and BOS member for IR&PM course for Maharaja College (A).

He is a member of various Professional Bodies like **NIPM and ISTD**. He is a founder member of the HR Club. He is also a Treasurer of the Visakha Sahithi Club. He has authored a book on **Skill Gap Analysis** in Professional courses, and published around 10 papers in various journals. He is currently guiding students from university as well as industry, in their research.

Prof.N.V Ramana Murty who is working as **HOD** of

CSE(AI&ML) of Engineering & Technology Program of GVPCDPGCA and also taken charge as **Director (Research & Development)** of Gayatri Vidya Parishad College for Degree and PG Courses(A). He is a Post Graduate

(M.Tech) in Computer Science and Technology (Artificial Intelligence & Robotics) from Andhra University and is a Doctorate in Computer Science and Engineering in the domain of **Machine Learning and Deep Learning** from

Rayalaseema University, Kurnool. He has a total experience of 25 Years out of which 22 years is in Teaching and 3 Years in Industry. In his tenure of 20 years, He has worked in different positions in GVPCDPGCA as **HOD M.Sc Electronics, Associate Professor in MCA, Controller of Examinations of GVPCDPGCA and HOD of Computer Sceince**. He has **42 Research Publications** to his credit with good number of citations. He was acting as a **Mentor for MSME Project** of worth Rs 15 Lakhs in the domain of AI & Medicine. He is a recipient of **Four Awards from National and International level organizations** in the years 2023 and 2024. He has also received **Best Teacher Award** from the **Management of GVPCDPGCA** for the year 2018. His elegance in the domain of Computer Science and Engineering has enabled him to teach varied subjects in the areas of Machine Learning, Deep Learning, Natural Language Processing, Soft Computing, Data Science, Neuro- Fuzzy Systems, Neural Networks and Expert Systems.

Dr. P.A. Nageswara rao has taken charge as the Head

of the ECE Department. **Dr. Rao, started career as Assistant Professor in 2003 in Vignan's Institute of Information Technology; has an experience of 21 years of teaching at various engineering colleges in Visakhapatnam. Presently working**

as Associate Professor and Head of the Department in GVP College for Degree and PG Courses (A).

Dr P A Nageswra Rao has 21 Journal publications in various National and International level and has 10 conference paper at National and International level and has 2 patents to credit. AUCE(A) – Recognition as

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

(Regd. No. 510/88)

Door No. 1-83-21/3, Sector-8, M.V.P. Colony, Visakhapatnam - 530 017, A.P., India

Research Guide to the Ph.D Research Scholars dated 19.11.2020. Besides being strong at academics' Dr Nageswara Rao has strived passionately towards the research work.

Dr P A Nageswara Rao had a vast qualitative experience in the subjects of Electromagnetic Waves & Transmission Lines and Antennas & Wave Propagation for the past 21 years, which deemed to be the toughest subjects for engineering graduate students in the course of B.E / B.Tech. Though working in a private engineering college, the hard work and passion towards these areas of subjects has been recognized and was honored to deliver the Guest lectures in other engineering colleges.

Dr. G.R.S.Murthy currently working as Professor and **HOD of CSE dept.** He has 12 years of Academic experience and 17

years industry Experience.

He completed his Ph.D. in Rajiv Gandhi Technical University, Bhopal in 2012. He is keen in updating in latest technological developments. During Jan-June 2024 he successfully completed 3 NPTEL courses with

Elite+ Silver Medals. NPTEL has recognized him as one of NPTEL Computer Science & Engineering Discipline Stars. His total Citations are 734 and H-index is 6, I10 index is 6. He is regular reviewer of various International Journals and IEEE, Springer Conferences.

Dr. CH Himagiri is currently working as Associate Professor

and **HOD** in the Department of **Mechanical Engineering**. He has 15 years of experience in this profession He has published 14 research articles in various **SCOPUS and SCI journals**, his total Google Scholar Citations are 232, **H-index -4 and i10 index-2.**

He is updated with emerging technologies from time to time. Presently he is pursuing AICTE **SPONSORED-QIP-POST Graduation certification course On Artificial Intelligence in Machine Learning** at IIIT-UNA, Himachal Pradesh.

Dr. K. V. V. Murali Someswara Rao currently working as

Professor, **Dean Academics and HOD of Business Analytics dept.**

He has 23 years of Academic experience and 2 years industry Experience completed his Ph.D. in Acharya Nagarjuna University, Guntur in 2012. He is keen in updating in latest technological

developments. During Jan-June 2024 he successfully completed 3 NPTEL courses with Elite+ Medals. NPTEL has recognized him as one of NPTEL Discipline Stars. He worked as Head of the Dept MBA, Controller of examinations and placement officer. He published many articles and organised seminars, FDP's and workshops. He published four books related to Management subjects. His areas of research interest Digital Marketing, Business Analytics and Marketing.

Dr A.Sairoop has taken charge as Controller of

Examinations, presently working as an Associate Professor in Human Resources Management and Law. In Department of Management Studies, Gayatri Vidya Parishad College for Degree and PG Courses (Autonomous), Visakhapatnam. He

was awarded Ph.D in 2015 from Andhra University and is also, Bachelor of Law from Andhra University.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

(Regd. No. 510/88)

Door No. 1-83-21/3, Sector-8, M.V.P. Colony, Visakhapatnam - 530 017, A.P., India

Dr A. A Sairoop with over **17 years of teaching experience** and **5 year of practice as an advocate in AP HIGH Court** (United Andhra Pradesh) and also District Courts. He is also former Dean, Student Affairs, looking into various issues of the students. He also takes up counseling, mentoring, guiding and supervising the students for their career. Visakhapatnam. Further as a researcher he is guiding the Ph.D Scholars in the area of HRM, participated in various surveys of Research projects.

Dr A.Sairoop published articles in various reputed **National and International Journals** and also organised webinars and students' management meets.

Dr. P.V. Mohini, currently holds the position of **Dean of**

Student Affairs. Dr. Mohini has received numerous awards, including the **R. Venkataratnam Memorial Gold Medal** for the **best thesis** in 2018 and the **Best Teacher award** from her institution on September 5, 2018. In 2020, she was

honored with the **Best Research Paper Presenter award** from **Padmavathi Mahila Visva Vidyalayam** (Women's University) in Tirupati, Andhra Pradesh, at an ICSSR-sponsored national seminar.

Her academic contributions include publishing **20 research papers** in various **National and International Conferences** and seminars, along with **two Scopus-indexed papers** and **six journal articles**. She has completed **certificate programs in Finance** from **Duke University** and **Yale University** via **Coursera** and authored **seven books** on **Accounting and Financial Management**. Notably, she completed an NPTEL course in Finance with an elite score of 80% and organized a three-day online Faculty Development Program on '**Financial Modelling using Excel**' in 2020.

Dr. Mohini serves as an examiner and paper setter for various universities and colleges, including JNTU, AITAM, and Aditya. She coordinated the Industry-Institute Partnership Cell, fostering relationships with industries to raise funds for management events at her institution. She was recognized as a research guide by Andhra University in 2019. Her leadership roles extend to being the Chairman of the Board of Studies for the Bachelor of Business Administration program, Convener of the Internal Compliance Committee, Convener of the Anti-Ragging Committee, and a member of the Students Grievance and Canteen Committees. From 2020 to 2024, she effectively served as the Head of the Department for the BBA program.

Dr.K.V.Nagaraj is presently working as HOD – BBA

Program and Assistant professor at Gayatri Vidya Parishad College for Degree & PG Courses (A), affiliated to Andhra University, Visakhapatnam. Having **18 years of experience** he also has **Industry experience of two years**. He has qualified in **APSET** in Management

Stream, He completed **Digital Marketing and MarkTech** course from IIT- Roorkee and awarded with Advanced Certification in Digital Marketing and MakTech, He has more than 9 years of research experience. He **published** more than **ten books** in emerging marketing and management topics. He **published about 20 research papers** (5 papers in **International Journals**, 10 papers in **National Journals** and 5 papers in **Seminar proceedings**). He **presented research papers** in **International / National Seminars and conferences**. His research areas are related to marketing, retailing and general management. He completed his M.Phil (Entrepreneurship) qualified and awarded PhD. At present, he is actively looking into the areas of Digital Marketing, Retailing, and Consumer Behaviour.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

Dr. Karteek Rao Amperayani is appointed as HOD Dept of

Organic Chemistry, an alumnus of GVP College for Degree and PG Courses, Joined as Assistant Professor in Gayatri Vidya Parishad College for Degree and PG Courses(A) in the year 2019 in the Department of Organic Chemistry.

He has Published 31 research papers in various Scopus and SCI indexed journals among them 18 journals are published after joining GVPCDPGC. He has Published 2 patents, reviewer for 3 Scopus indexed journals and handled 1 consultancy project worth Rs. 1,00,000/-. Life member for The Indian Science Congress Association (ISCA) and Association of Chemistry Teachers. The trust area of his research is Computational Drug discovery, Medicinal chemistry, CADD, Natural products. He has 7 years of teaching experience, 5 NPTEL certification. He is also the Member secretary for G-Tri-BAL, Executive member for R&D and member for IIC cell of GVPCDPGC.

Dr.M.S.R.Seshagiri, MBA.PhD, is Professor in Dept Of

Management Studies, Gayatri Vidya Parishad College for Degree and PG Courses, Visakhapatnam. With nearly 23 years of teaching and research experience, his PhD work was on "Evaluation of Performance Management" in National Thermal Power Corporation Limited,

Visakhapatnam (2012). His research interest includes Performance Management, Consumer Behaviour and Contemporary issues in Marketing in which he has more than 40 publications, in various journals and conferences. He has executed funded projects in the area of Corporate Governance (UGCMAJOR). He Authored and Edited 4 books and at present working on the 5th one.

Technology:

Gayatri Vidya Parishad - MLBT School Hosts

Oral Health Awareness Program

Celebrating Oral Health Day on 20th March, '24,

Gayatri Vidya Parishad - MLBT School successfully hosted a **Dental Awareness** Program aimed at promoting dental hygiene and oral health among its students. The event, led by esteemed dental professionals **Dr. L. Chandrasekhar** and **Dr. Padmini Devi**.

The program was meticulously organised, with valuable assistance from **Mr. B. Kiran** and **K. Sravani**, among other dedicated staff members. It featured a variety of educational activities designed to engage the young audience and instill lifelong habits for maintaining good oral hygiene.

One of the highlights of the day was an interactive and fun quiz focused on dental health. The quiz not only tested the students' knowledge but also provided an enjoyable way for them to learn more about oral care. Winners of the quiz were awarded exciting prizes, adding to the day's excitement and encouraged active participation.

To further reinforce the importance of dental hygiene, all participating children were given toothbrush sets. This thoughtful gesture aimed to provide the students with the tools they need to practice proper oral care daily. The Dental Awareness Program at **Gayatri Vidya Parishad - MLBT School** was a resounding success, fostering a positive and educational environment for students to learn about the significance of maintaining good oral health.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

Raising Awareness on Schizophrenia (A Step Towards Better Understanding)

Schizophrenia, a severe mental illness, often shrouded in myths and misconceptions, was brought into the spotlight at GVP Institute for Healthcare and Medical Technology (GVPIHCMT) through an enlightening awareness program organised by the Department of Psychiatry. Individuals grappling with Schizophrenia often experience distressing symptoms such as hearing voices, paranoia, and disturbances in speech and behaviour. However, contrary to popular belief, this condition can be effectively treated, especially when identified early.

In commemoration of World Schizophrenia Day on May 24th, Dr. N.N. Raju, Professor and Head of the Dept of Psychiatry, took the initiative to educate attendees at the Outpatient department about Schizophrenia. Dispelling myths that suggest Schizophrenia is untreatable or that individuals with the condition are inherently aggressive, the program aimed to foster a deeper understanding of this complex illness. The event, graced by esteemed personalities including Dr. Satya Varaprasad (Director Operations), Dr. Satya Prakash (Chief Medical Officer), and Ms. Rupali Dash (Advisor) of GVPIHCMT, featured an insightful role play by interns and postgraduate students of Psychiatry.

Through engaging demonstrations, the audience gained valuable insights into the challenges faced by individuals with

Schizophrenia and the importance of early intervention and support. By shedding light on Schizophrenia and dispelling misconceptions surrounding it, GVPIHCMT's Dept of Psychiatry has taken a significant step towards promoting awareness and understanding of this often-misunderstood condition. As we continue to strive for mental health advocacy, let us remember that knowledge and compassion can go a long way in supporting those affected by mental illness. GVPIHCMT has been committed for more initiatives and events aimed at fostering a healthier and more informed community.

GVPIHCMT Hosts Successful Blood Donation Camp

The GVP Institute for Healthcare and Medical Technology (GVPIHCMT) hosted a highly successful Blood Donation Camp within its premises. The event witnessed an overwhelming response from the community. The significant turnout of donors and their selfless contributions exemplified the spirit of compassion and altruism that is deeply ingrained in the values of GVPIHCMT.

GVPIHCMT extends its heartfelt appreciation to all the donors who participated in the Blood Donation Camp. The institute also acknowledges the dedication and hard work of the organising team, whose efforts were instrumental in ensuring the success of the event.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

(Regd. No. 510/88)

Door No. 1-83-21/3, Sector-8, M.V.P. Colony, Visakhapatnam - 530 017, A.P., India

As GVPIHCMT continues its mission to advance healthcare and medical technology, it remains steadfast in its commitment to organising initiatives that make a positive difference in the community. The Blood Donation Camp stands as a testament to the institute's unwavering dedication to promoting health, well-being and compassion.

Nursing Care Workshop

A workshop for Nursing Care was held on 16th of March 2024 was a resounding success, thanks to the invaluable insights

shared by esteemed medical professionals. This event brought together a range of experts who provided attendees with comprehensive knowledge and skills crucial for nursing care.

The workshop covered an

extensive array of topics, including:

Basic Nursing Care in the Emergency Medical Department (EMD) by Dr. Divya, M.D. (GITAM Medical College), **Advanced**

Nursing Care in the EMD

by Dr. Ravi Teja, MD, DNB (RIMS, Srikakulam), **Basic Nursing Care in the Intensive Care Units (ICU)** by Prof. Dr.

Chandrashekhar, MD (GVPMC), **Advanced Nursing Care in the ICU** by Prof. Dr. Manjula, MD (GVPMC), **Nursing**

Care in the Wards by Dr. V.Atchuta Ramaiah DNB (GVPMC), **Nursing Care for Obstetrical Patients** by Prof. Dr. Prabhavathi,

MD (GITAM Medical College), **Nursing Care in Neonates and Pediatrics** by Prof. Dr. Padmavathi, MD (K.G.H),

Basic Life Support (BLS) and Advanced Cardiovascular

Life Support (ACLS) by

Dr. R. Kiran Kumar, M.D. (K.G.H),

Nursing Indicators and Infection Control Practices by Prof. Dr.

Prabhavathi, MD (GITAM Medical College),

Nursing Care in the Operation Theatres

by Prof. Dr. Chandrashekhar, MD (GVPMC),

Nursing Records

Maintenance by Dr. T.J. Prakash, CMO (GVPMC).

The workshop provided a valuable platform for nurses

to enhance their skills and knowledge, ensuring high standards of patient care.

The diverse

sessions were tailored to address both fundamental and advanced aspects of nursing,

making it a comprehensive learning experience for all participants.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

GVPIHCMT Celebrates World Health Day with Grand Rally.

The GVP Institute of Health Care and Medical Technology organised a rally in celebration of World Health Day, bringing together students to advocate for the importance of healthcare accessibility for all. The event, which took place on April 6, 2024, saw the participation of around 350 students and was graced by esteemed guests including

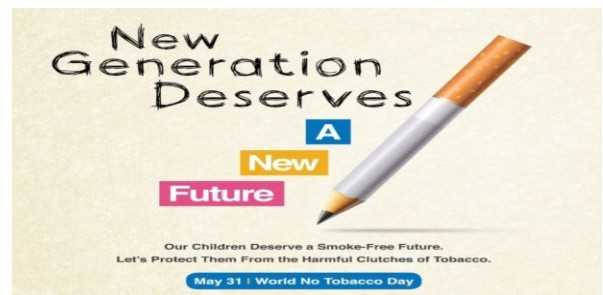

Secretary Gayatri Vidya Parishad Prof. P. Soma Raju, Dean Dr. N. Subba Rao, Director Dr. Satya Vara Prasad, and Medical Superintendent Dr. A. Ranga Rao, Professor and Head of Community Medicine, Dr. E Ravi Kiran, Professors Dr MS Raju, DrSudhakar, Dr Kailash Rao, Mrs Archana, and Advisor Mrs.Rupali Dash among others. Under the theme 'My Health, My Right', the rally aimed to raise awareness about the fundamental right to healthcare for all individuals. The resounding success of the event in highlighting the need for accessible healthcare was a testament to the dedication and hard work of the organisers, participants, and healthcare professionals involved.

The event served as a reminder of the vital role that education institutions play in advocating for universal healthcare and emphasised the institute's dedication to nurturing future healthcare professionals who are passionate about making a positive impact on society. The GVP Institute for Healthcare and Medical Technology extends its gratitude to all those who contributed to the success of this meaningful event and looks forward to continuing its efforts in promoting healthcare for all.

Prof Raj Kumar Goswami, Principal of GVPCEW has been

conferred “Claude Shannon Eminent International Academic Administration Excellence Award 2024” by IMRF Institute of Higher Education & Research, India and the same will be awarded on the eve of

UN Public Services Day 2024 in the ‘International Symposium on Public Service through Education’ on 22nd Jun 24.

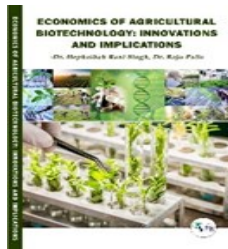

Prof Raj Kumar Goswami, Principal of GVPCEW has authored a book “The Art of Design Thinking (Problem to Prototype)” published by “San International Scientific Publications.”

Dr. HEPHZIBAH RANI SINGH Sr. Assistant Professor

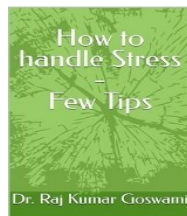

Department of Biotechnology

Published a book titled “Economics of Agricultural Biotechnology: Innovations and implications”.

Smt D. Syamala, Assistant Professor in Microbiology was awarded Ph.D in Microbiology from Gitam (Deemed to be University), Visakhapatnam on 6th February, 2024

Prof Raj Kumar Goswami, Principal of GVPCEW has authored and published a book “How to handle Stress – Few Tips.”

Prof Raj Kumar Goswami, Principal of GVPCEW has authored a book “Shades of Emotional Impressions,” which is a collection of English Poems, published by “San International Scientific Publications.”

Dr. Purushotam Naidu K HAS published a Book on “Machine Learning,” Publisher: BR International, ISBN: 978-819-654-447-8 on March-2024

Mr M Krsihna, has obtained his Ph.D. Degree from University of Puducherry in EEE.

Mrs. M. Mani Kumari was awarded with Ph.D from JNTUK, Kakinada for her thesis on “Reduction of Delay and Power in VLSI Interconnects Using Multiple Valued Logic” in the month of May 2024.

Prof Raj Kumar Goswami has co-authored a paper titled “Investigation of Different Generative adversarial Networks Techniques for Image Restoration” in International Journal of Computing and Digital

Systems, ISSN (2210-142X), Int. J. Com. Dig. Sys. 16, No.1 (Aug-24), <http://dx.doi.org/10.12785/ijcds/160150>. (SCOPUS indexed Journal).

and presented a paper ఆధునికసాహిత్యం - సామాజికస్పృహ in one day National symposium conducted by Andhra University on 25

th April 2024. Both were felicitated at Andhra University Alumni Association AC hall, Science and Technology Bhavan.

Smt. S. Kanchana, presented a paper entitled 'Impact of Digital Currency Transactions on the Financial Health of Individuals in Visakhapatnam City .at Two Day National Conference on 'Emerging

Trends in Psychology & Business Management. Organized during 22nd and 23rd March 2024 by St. Joseph's College for Women (A) Visakhapatnam.

Smt.A.Subhashini Successfully presented a paper in Fourth International Conference on Recent trends in Multidisciplinary research (COM 4.0) on 29th -30th March 2024 organized by Eduoxia Research University, USA and India.

Guest Lectures:

A guest Lecture on "JVM Architecture" was given by Mr. Krishna Mohan Koyya, Managing Director and CEO on 28/03/2024.

The Department of mathematics organized a guest lecture on the topic of "Differential Equations as Mathematical Models" on 23rd April 2024. Venue: M.V.P. Campus. The resource person for this guest lecture was Prof.J.Vasundhara Devi,

Associate Professor, GVP-Prof. V. Lakshmikantham Institute for Advanced Studies GVP college of Engineering (Autonomous) delivered a very informative lecturer .

Mr Sunil Kodi, Associate Director - Customer Success, Presales and Partner Management, Amzur Technologies delivered a guest lecture on Agile Technologies and its usage in DevOps for the students of CSE, CSM and IT

Dr. V.Radhika, Senior Assistant Professor, Department of

mathematics was invited as a speaker to give a talk on

"Quasilinearization for Impulsive Fractional Differential Equations" during the century year celebrations of Prof. V.

Lakshmikantham Sir in the international conference on Latest Advances, Contributions & Applications in Nonlinear Analysis (LACANA) from 13th to 16th March.

The Department of Computer Science,MVP

Campus Conducted A Guest Lecture entitled "DATA Science and DataBase" on 27th April 2024 and the Resource Person is Mr.V.Arvind Kumar, Assistant

Statistical Officer, Government Of Andhra Pradesh.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

IETE Students' Forum, organized a guest lecture on the topic "Analog Circuits for GATE" by

Mr. S Mani Mohan Trinath from ACE Academy on 6th February, 2024.

A Guest Lecture was conducted on "Three level Multiphase

DC-DC converter for high bandwidth envelope tracking applications and also career opportunities in power electronics by Dr. Srikanth

Yerra on 8th March.

The Department of MBBTBC, Gayatri Vidya Parishad College for Degree and PG Courses (A) have organized

Guest lectures on "Recent Advances in Cancer Diagnosis and Therapeutic Nutrition" on the Occasion of National Science Day on 28th February 2024.

Workshops/FDP's:

Dr Varanasi venkateswara Sarma, Dept of Sanskrit participated in Two day National WorkShop on "Unlocking sustainable Development on 26th & 27th April 2024 organised by Gayatri Vidya Parishad college for Degree and PG Courses (A), Visakhapatnam .

The CSE Department Club COSCENGERS conducted a workshop on "IOT" and "Cyber Security" on 16th March '24 for II CSE students.

Faculty from GVPCEW attended two-day workshop on "Guidelines for the peer team visit of NAAC" during 18-19th March 2024 at

GVPCE(A).

The Department of MBBTBC in association with Shri

Joshika Molecular Diagnostic and Research Center (SMDRC) has conducted a two-day Workshop on Gel

Electrophoresis and PCR on 3rd and 4th May, 2024 for the students of semester 4 MBBTBC.

Smt.Vedavathi Uchula attended one day National Virtual

Workshop on 'Communicating effectively in classroom communication skills for teachers organized by the dept of English, United College of

Arts and Science, Coimbatore on 22nd April 2024

Smt. S. Kanchana, participated in the Two-Day National Workshop on "Women & STEM" on 19th & 20th March 2024. organized by American Corner.

Dr Karteek Rao Amperayani was Reviewer for Journal of Biomolecular Structure and Dynamics, Taylor & Francis Journals.

Vision: Creating human excellence for a better society

The Languages Department conducted a 10 Day Work

Shop from May 15th to 20th In the Seminar Hall of G.V.P.College for Degree and P.G.Courses (A) M.V.P.Campus. This was inaugurated by

Prof.P.V.Sarma, Prof.K.S.Bose and Sri D.V.S.Kameswara Rao Moral Values, Communication Skills, Recitation of Poems were taught to the participants in this camp.

Dr A Uday Kumar and Ms. K Rohini (in a team of 4) received the "Certificate of Excellence and Bronze Badge" on May 6, 2024, for securing a Top 3 position in the **Advanced Technology Certified Faculty (ATCF) Wipro TalentNext project challenge on Cloud Computing with Big Data**, conducted from December 2023 to March 2024, as part of the **Digital Skills Readiness Program (ATCF)** conducted by WIPRO Limited.

R. Prasanna Kumari Participated in a two-day workshop on "Guidelines for the peer team visit of NACC" On 18th and 19th March, 2024 at Gayatri Vidya Parishad College of Engineering.

P. Sridevi attended an online Distinguished Lecture Series (Lecture-33) Jointly Organized by **INAE Bhubaneswar Chapter, SOA University, CSIR-IMMT Bhubaneswar, IIT Bhubaneswar, NISER Bhubaneswar and IEEE Bhubaneswar Sub-section** on 20th March, 2024 on "Building a Future Ready India: Vision, Plan & Strategy for Technical Education By 2047".

Mr. P.V.K. Chaitanya attended an eight-day FDP entitled "NEP Orientation & Sensitization Programme" conducted by MMC-UGC: Kurukshetra University from 6-18 May 2024.

Dr. L. Ganesh and Dr. B. Vijayalakshmi attended a two-day Workshop on "Strategic paths to world Quality standards" conducted by GVPCE (A) from 19-20 March 2024.

Ms. B.V.R. Gowri attended a Five-day online FDP on "Free Simulators for ECE Lab Practices" conducted by NITTTTR Chandigarh from 11-15 march 2024.

Prof. K. Raja Rajeswari attended webinar on "Image -to- Image Translation Methods and

Applications" organized by IEEE Signal Processing Society on 25th April 2024.

Dr. K. L. Sai Prasad, chaired a session at an International Conference held at GVP College of Engineering (A); on **Latest Advances, Contributions & Applications in Nonlinear Analysis (LACANA-2024)** from 13th To 16th March 2024.

Dr.G.Vijaya Lakshmi, Asst prof, Dept of English, has

participated in 5 day online faculty development program on "Introduction to Indian Knowledge Systems (IKS) Incorporating Traditional Knowledge (TK)and Intellectual Property Rights(IPR)

Organized by Bharat Vidya Prayojana Division of IGNC, Ministry of Culture, in collaboration with NSS college, Pandalam, and Chinmaya Viswa Vidyapeeth, Kerala from 11th to 15th March 2024.

Dr.G.Vijaya Lakshmi, Asst prof, Dept of English and **Sri**

P.Srinivasan, Sr.Asst.Prof, Dept of English attended a 5 day Faculty Development Programme organized by Anil Neerukonda Engineering College on the topic 'ELT- Innovative Methods

and Approaches'.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

Smt. NJL Prasanna, Smt. S. Swarooprani
Dept of Computer Science attended 10 days STTP on **Machine learning using python** organized by Appleton innovations associates with GVPCDPGC from 1st to 11th June.

Dr. Surya Lakshmi, Smt. P. Roja, Sri. P. Prasad & V. Krishna

Vivek successfully completed 5 Days **International FDP on 'Digital Marketing'** organized by MIT Arts Commerce & Science College (Autonomous)- Maharashtra & Excelr.

Dr. K. Anitha, Assistant Professor, Department of Hindi

Smt. P. Roja, Dr. D. Sreedevi
HOD Department of Electronics,
Smt. S. Swarooprani took part in **NEP 2020 Orientation & Sensitization**

Program under Mlayava mission teacher training program [MM-TTP] of UGC organized by UGC-MMTTC, Andhra University from 5.03.2024 to 14-03-2024.

The Department of Microbiology, Gayatri vidya Parishad College for Degree and PG Courses(A) in association with XCELLOGEN BIOTECH Pvt. Ltd. Thiruvananthapuram, Kerala, has organized National level Faculty Development Programme in an online mode for a period of 3 days from 18th to 20th March, 2024 on Bioinformatics. Overall, 39 Participants from different colleges have been participated.

Department of Statistic was conducted a two-day workshop on Fundamentals of MS Excel on March 8 & 9th '24.

Department of **Biochemistry** organised a five-day online FDP on **"Emerging Applications Of Nanotechnology In Lifesciences"** 25th – 29th April, 2024. In the present scenario, Nanotechnology emerged as a thrust area of research which have a vivid application in various sectors. It is an interdisciplinary science. It opens the doors to sustainable solutions that address our pressing Agriculture, health, and environmental challenges. The main objective of the FDP is to give an insight into Nanotechnology applications in Lifesciences.

Dr. Vinay Raghavendra, Principal, Sampurna Group of Institutes, Karnataka. Delivered a lecture on **"Application of Nanotechnology in Agriculture"** he explained the different types of **Nano fertilizers, pesticides, herbicides,** and their mechanism and how they improve crop productivity, increase the tolerance to biotic and abiotic stress, and enhance disease resistance.

Prof. Kaladhar, Microbiology and Bioinformatics, Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur. He gave a presentation on **"Present and future aspects of Bionanotechnology in the area of Life Sciences"** explained the applications of Nanotechnology in medicine, food, and Agriculture he also focused on **Nano Biosensors and Nanobioantennae.**

Dr. V. Varahala Rao, Senior Scientist, Diabetomics Midicals Pvt.Ltd., Hyderabad. He gave a presentation on **Nanobiotechnology in Clinical Diagnostics.** He explained how the **Quantum dots, used in molecular diagnostics.**

Dr. Kaladhar, who presented an overview of the **applications of Nanotechnology in Medicine, food, and agriculture.** He addressed the participants regarding the **Research in The Nanotechnology Domain.**

25 members from different universities took part in this online FDP.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

Dr. Karteek Rao Amperayani Successfully completed 10 days short term training program on **Machine Learning using Python** organized by Appleton Innovation in association with Department of Computer science & Engineering at Gayatri Vidya Parishad College for Degree and PG Courses (A). from 1st to 11th May 2024.

Mrs. CVRT Hema Successfully completed **“MODULE 1: Orientation towards technical education and curriculum aspects”** on **Essentials of Biomolecules** with a consolidated score of 70 % during April 2024.

Dr Karteek Rao Amperayani published a **research article on Eco-Friendly Biogenic Synthesis, Characterization of Au/Fe₃O₄ Magnetic Nanoparticles and its Catalytic Activity Towards Degradation of Rhodamine-B. International Journal for Multidisciplinary Research 6, 3, 2024.**

Mrs. CVRT Hema successfully attended **international webinar on Catalysing Diversity in Science** organized by **Kamala Nehru Mahavidyalaya Nagpur** on 27th Feb' 24.

Department of Organic Chemistry organized a guest lecture with **Oruganti Baswanth**, Associate Professor, **Chanikya University Bengaluru**

The 10-day Short Term Training Program on **Machine Learning Using Python** was held from 01-05-2024 to 11-05-2024 at the **Artificial Intelligence & Machine Learning Lab**,

held from 01-05-2024 to 11-05-2024 at the **Artificial Intelligence & Machine Learning Lab**,

Department of CSE, E & T Program, GVPDCPGC(A). Thirty faculty members from different streams participated in the 10-day STTP. The objective of the STTP was to provide participants with comprehensive knowledge and practical skills required to develop AI & ML applications.

Unlocking sustainable development: Harnessing innovation and creativity through Intellectual Property Rights #SDGs# Innovation for all

Sensing the importance for the protection of Intellectual

Properties in today's globalizing knowledge-based economy, GVP College for degree and PG courses

organized a two-day workshop on **Intellectual Property Rights** on 26th and 27th of April 2024. The objective of this workshop is to sensitize the Industry, R&D Organisation, Scientific Department and Educational Institutions about the growing need for promotion and protection of the intellectual assets, in the form of Patents, Designs & Trademarks. The purpose of this workshop is to create awareness regarding an IP # SDGs collaboration which has been recognized as the key enabler to promote innovation ecosystem.

Parent Teacher Meeting was held on March 02, 2024.

Parents were informed about their child's academic performance and upcoming training programs oriented towards campus

placements preparation. All academic and placement related doubts were clarified by faculty.

GVPCEW Annual Day 2024 was conducted on 23rd March

2024. Rear Admiral Kantamneni Ravikiran, Retd was the chief guest.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

Students of ECE (2021-2025) attend an interactive

session organized by institute's Training & Placement Cell on **How To Crack Corporate Job**

Interviews. The resource person was **Sudhakar Pirdi, Head of Human Resources, Sappirus Systems Pvt. Ltd.,** Hyderabad, Telangana. Mr. Pirdi explained the basic qualities a corporate company expects from prospective employees at both domain knowledge front and soft & interpersonal skills front.

As per the directions of ministry of education, Govt. of India, GVPCDPGC (A) has organised campaign on **MERA PEHLA VOTE DESH KE LIYE** on March 06, 2024. Several

competitions were held as a part of this campaign for students, besides, they

were educated on the importance of right to vote and it's exercise in a democracy by election supervisor of ward 8, Visakhapatnam city. Students of ECE batch took part.

Students of ECE section 'A' visited Andhra Pradesh

Medtech Zone (AMTZ) as a part of their Industrial visit on March 07, 2024. Due to this the students get acquainted with the state of art

industry related developments, technology and machinery.

ECE Department on March 11 & 12, 2024 organized a two-day workshop.

The department along with Andhra Pradesh State Skill Development

Corporation (APSSDC) collaborated with the Telecom Sector Skill Council (TSSC) and German Academy of Digital Education (DADB) to provide high-class online courses complemented by hands-on training. This collaboration is expected to open new avenues for the youth of Andhra Pradesh, fostering a bright future for students in the rapidly-evolving field of 5G technology. The resource person is Mr. M. Lingeswaran, head of 5G/6G Technology Innovation Centre in St. Joseph's College of Engineering, Chennai, Tamil Nadu. He also is a consultant to DADB.

Dr P.A. Nageswara Rao (HOD-ECE) attended a two-day workshop on "**Strategic Paths to World Quality Standards**" organized by GVPCOE (A) on March 18 & 19, 2024. Prof. Dr. N. Jayasanakaran (Advisor, VIT Business School) was the guest speaker, and the workshop concentrated on **National Level Accreditation of higher-level educational institutes in India and its significance.**

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

Door No. 1-83-21/3, Sector-8, M.V.P. Colony, Visakhapatnam - 530 017, A.P., India

Students of ECE (2022-2026) participated in an **awareness**

programme conducted by GVPDCPGC (A) on **Entrepreneurship**. The speaker was **Sri. S.L.N. Kumar** (Asstt. Director MSME-

Development Office, Govt. Of India, VISAKHAPATNAM), he explained to students on different schemes offered by government of India for becoming entrepreneurs and the way in which entrepreneurs can play a major role in driving the economy.

Department of ECE of GVPDCPGC (A) organized a

National Level symposium **TECHTRONIX 2K24** for students on March 20 & 21, 2024. Several

Technical and Non-Technical events were conducted as a part of this symposium, and, students from many prominent institutes

in and around Visakhapatnam participated in this very enthusiastically.

Mr. Sri Suresh V.R.S of GATEPRO, a very experienced Graduate Aptitude Entrance Examination (GATE) trainer interacted with students of ECE (2022-2026) and explained the role of GATE examination in deciding the career of a

B. TECH- ECE graduates and the necessary strategy to perform very well. Department of ECE organized this session on March 27, 2024.

Student of ECE attended the Guest Lecture conducted by GVPDCPGC (A) on April 22, 2024 on the **Eve of**

World Earth Day. **Sri J V Rathnam** Secretary of NGO **Green Climate** team delivered a

lecture on the **Significance Of Preserving And Conserving Nature In Order To Protect Earth For Future Generations**.

Students of ECE took part in **literary events** on the eve

of **William Shakespeare Birth Anniversary Celebrations** organized by Department of English, GVPDCPGC (A) on April 2023, 2026.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

Students of ECE took part in **Student Society for Climate Change Awareness's Climate Tank Accelerator** Guest

Lecture organized by Department of Training, Placements and Career Guidance on April 26, 2024 in GVPDCPGC (A). Dr. Swetha

was the resource person and she explained, how students from South Asian Universities have an opportunity to address the pressing issue of climate change with the help fully funded fellowship programme in the United States.

Department of Training, Placements and Career Guidance organized an

Introductory session to ECE students on **Cyber Security** on May 02, 2024. Representatives of **Cyberthreya**

(**Cybersecurity Services and Training Organization**), introduced the **idea behind cyber security** and also explained the **career opportunities** involved in this field.

Students of ECE participated in **National Technology Day Science Fair** held at Naval Science & Technological Laboratory (NSTL), Visakhapatnam, Andhra Pradesh on May 10, 2024. Two Teams presented their respective technical projects in the fair.

Department of ECE organized a **Five-Day National Faculty Development Programme (FDP)** on "**Recent Advancements in Communications, Data Analytics & Hypermesh using AI tools**", from April 22 to 26, 2024. Many faculties from prestigious institutes in and around Visakhapatnam took part enthusiastically.

Eminent researchers like Prof. G. Sashibushana Rao (Principial, Andhra University College of Engineering, Visakhapatnam, Andhra Pradesh), Prof. V. Venkata Mani (Department of ECE, NIT Warrangal, Telangana), etc., delivered intriguing lectures on **current and upcoming technologies** in several areas related to **Electronics and Communication Engineering**.

Four students, **V. Mohan Chand, K. Ramesh, O. Gayatri and B. Bhuvaneshwari** were selected for **National Level INSA fellowship** to work for 2 months with a stipend of Rs. 12000/- per month.

Two students **R. Aswani and G. Tejesh** were selected for **Aragen life sciences Ltd** with an annual package of Rs.3,00,000/-

Kasturba Centre for Women's Studies in GVPDCPGC (A)

organized an interactive session for the institute's lady staff with eminent women, across different professional sectors in

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

Training and Placement:

Various training programs that helped students update Skills and improved their ability to face the interview.

Logik works Training -Phase 1& Phase 2 on Data

structures using Python was conducted for all Engineering final year students from March 27th

6th April, & 3rd – 8th.July.

TCS Oriented Training by **FACE PREP** was conducted for all Engineering final year students from 17th July – 22nd July

Amar Raja Placement Drive was conducted in Rushikonda

campus for all engineering students on Feb 3rd 2024.

Fluent Grid Placement Drive

was conducted on March 6th 2024 in Rushikonda campus.

Sails Software Placement Drive was conducted on March 8th 2024.

CRT Training classes was conducted for all Engineering students by Apex – Phase I from March 11th 2024 – 16th and 26th -30th March 2024. Phase 2 is organized from July 1st 2024 – 10th July 2024.

IQuadra Solutions Drive was conducted for all CSE students on 4th May 2024 in Rushikonda campus.

Conducted Placement drive with **Vedanta Recourses limited,** for **BSc and MPC** and selected **3 students with 4.65LPA.**

Conducted **Deloitte campus drive** and only **BCA and BSc Computer science students** are participated and **4 students** are selected with **3.82 LPA.**

Conducted on **Campus Placement drive** for **CONCENTRIX** and **12 students** are selected for **2.8LPA.**

Conducted **Virtual Campus placement drive** with **PwC** and **14 students** are selected for **3.33LPA.**

Conducted **Varizon Placement drive** and **6 students** are selected with **4.2LPA** and **Sponsored M. Tech. Degree from BITS.**

Conducted **Sutherland Placement drive** and **19 students** are selected with **3.1LPA.**

For **TCS Smart hearing 4 students** are selected with **1.9 LPA.** **Dr. Santhosh Kumar Dhavala,** Training and Placement Officer for UG Courses attended the **conference on Capacity building organized by APTOP Consortium,** at Kurnool,

Conducted **pool campus Placement drive** for female candidates with **Yokohama company** and **4 students** are selected with **2.98 LPA.**

Conducted drive for **BSc Computers and BCA Students** with **LTIMindtree** and **40 students** got selected for **Technical round** and **final results are waiting.**

Dr. Santhosh Kumar Dhavala, Training and Placement

Officer for UG Courses received **WOW card appreciation** for conducting training for **379 students in**

Employability Skills with WADHWANI foundation.

Vision: Creating human excellence for a better society

Mission: Unfold into a world-class organization with strong academic and research base, producing responsible citizens to cater to the changing needs of the society.

And then yes with their guidance I got selected into IT companies and currently I am working in one of the Major MNC - Wipro - (Developer role) And I have successfully completed 2 years now. The day I was selected I felt very happy and I will always be thankful to all my teachers who have taught me and guided me all throughout my degree.

I thank GVP for giving me such wonderful mentors who were always ready at any moment to help us out irrespective of time' and gave me a successful journey in my academic path. I am proud to be a part of Gayatri Vidya Parishad College for Degree and PG Courses (GVPCDPGC) and proud to say that "Yes I am a GVPian"

Student Articles:

ROLE OF FINANCE AND ECONOMICS IN OUR DAILY LIVES-

JM Karthik, II B.Com.

The role of finance and economics is very vast and profound in our lives it impacts from daily wages to the international trade agreements.

It has a pivot role in trading, banking, monetary assets, financial instruments and control of interest rates, credit points and regardless everything is interconnected some or the other way of finance and economics in our lives

Personal and finance: -

The role of finance and economics as the financial institutions that transform the savings into investments and transforms a saver to an investor and trades your money and invests in different major venture markets and other financial instruments and companies that gives a positive ROI and gives back the percent of interest back to the investor as promised and a lot of serving the economy is linked with it.

Global economics: -

The federal reserve and the EU bank in the European union which fixes the supply of money and controls the interest rates and makes sure that the oversupply of money doesn't happen and it balances evenly. The economics and finance which determine the demand and supply and provides the price for the demanded goods in the world.

The OIL which is the most and main energy requirement for many countries and so the price of oil which affects us in many aspects and other required goods.

The exports and imports and manufacturing, trading development of infrastructure, securities trading, employment, trades, forex exchanges and development of companies which come from the contribution of financial sectors.

Environmental and ethical and moral aspects: -

The development of the financial role in the environment as the investment is happening now in the green and renewable energy and shifting from the fossil fuels and making the perfect earth for future generations and the charity and donations also be transferred by the help of the financial institutions of finance and economics

Role of Fintech and development: -The financial and technology combined together to make the transfer for the investments and trades in online form

Example: - the development of the crypto currency and the UPI payments became a main aspect in payments and transfer of money

Conclusion: -

The Role of finance and economics became the major role in development of our global economies and makes our lives interdependent on the finance sector and monetary aspects

so, this finance and economics is important in our lives.

Vision: Creating human excellence for a better society

Indian Culture:

V.S.Vaishnavi, II BSc. MECS

India is a country where unity in diversity is visible, because

people of many religions race, cultures and traditions live together. The oldest culture on this planet is Indian Culture. Culture refers also to the clothes we wear, the food we eat, the language we

speak and the religion we follow. India is multi-cultural, multi-religious country that celebrates all religious festivals together. India is also known for its temples. Indian architecture is rooted in history which includes the varieties of Hindu temple architecture and Indo Islamic architecture. Delhi rulers introduced Indo Islamic architecture in India. Clothing is very simple in India. Each state has its own clothing style. Among 700 dialects that are spoken in India and about 22 languages are known as official languages. Each state has its own language. Traditional Indian food is renowned worldwide for its spicy taste and has different recipes. In India has many religions. Different people follow different religions. Indian culture is extraordinary when compared to all other cultures Despite having many languages, traditions, clothing style the people of India are always together as one family. **This is Unity in Diversity.**

Awareness Session on Narcotics, Online Scams, Phone Addiction, and Traffic Rules

Gayatri Vidya Parishad College for Degree and PG

Courses held an **impactful awareness session, addressing critical issues such as the dangers of**

narcotics, the threat of online scams, the problem of phone addiction, and the importance of adhering to traffic rules.

The session was led by the esteemed **Assistant Commissioner of Police (ACP)** and **Circle Inspector (CI)**, who provided students with valuable insights and practical advice.

The ACP **highlighted the severe health risks associated with drug use, including addiction, mental health issues, and fatal overdoses.** Through a series of alarming statistics and

real-life examples, students were made aware of the devastating personal and social consequences of drug abuse. The ACP emphasized the importance of making informed choices and seeking help if needed.

CI took the stage to **address the growing concern of online scams.** He provided a comprehensive **overview of various types of scams, such as phishing, identity theft, and fraudulent financial schemes.** Using real-life examples and a gripping video demonstration, he explained how scammers manipulate individuals into revealing sensitive information. The CI offered practical tips for protecting

oneself online, such as using strong passwords, enabling two-factor authentication, and being cautious about sharing personal information. He also emphasized the importance of reporting suspicious activities to authorities.

The ACP discussed the widespread problem of phone addiction, highlighting its negative effects on mental and physical health, academic performance, and social interactions.

He presented research findings that linked excessive phone use to issues such as anxiety, depression, and sleep disturbances. The ACP offered strategies to manage phone usage, such as setting time limits, engaging in offline activities, and participating in face-to-face social interactions.

The college also announced a digital detox challenge, encouraging students to reduce their screen time and adopt healthier habits.

The final segment of the session focused on the **importance of adhering to traffic rules.**

The CI emphasized the role of responsible behavior in preventing road accidents and saving lives. He discussed common **traffic**

violations and their consequences, including fines, license suspension, and increased risk of accidents.

Students were educated on the **significance of wearing seatbelts, obeying speed limits, and avoiding distracted driving.** The CI also highlighted the importance of pedestrian safety and the need to respect traffic signals.

Dear Editorial Team,

I wish to express my sincere gratitude for your hard work and dedication in putting together the latest issue of Envision. I know that you all had to put in a lot of extra hours to get it out on time, and I really appreciate your commitment to the project.

The newsletter is always a valuable resource for our students, faculty, and staff, and it is clear that you put a lot of thought and effort into making it informative and engaging. I was particularly impressed with the way you were able to cover so many different topics in such a concise and well-written format.

I know that I can always count on you to go the extra mile, and I am truly grateful for your support. Thank you again for all of your hard work.
