and CEO at BRIX COSMOS,  
Speaker, Strategist,  
Psychologist

## About the Institution

**GAYATRI VIDYA PARISHAD COLLEGE FOR DEGREE AND PG COURSES (AUTONOMOUS)** is a premier educational institution established in 1989 in Visakhapatnam under the aegis of the Gayatri Vidya Parishad Education Society, which was established by a group of visionary academicians and philanthropists with the objective of promoting quality higher education in this region. The Parishad was founded by renowned academicians like Dr. Bhavaraju Sarveswara Rao, former Professor of Economics at Andhra University, Member of the Planning Commission of India, and a Cambridge mind with the objective of promoting value-rich and quality-focused higher education in distinct academic areas in the city of Destiny-Visakhapatnam. Over the three decades of its saga, the Parishad has established and promoted three more colleges besides Gayatri Vidya Parishad College for Degree and PG Courses (Autonomous). They are Gayatri Vidya Parishad College of Engineering (Autonomous), Gayatri Vidya Parishad College of Engineering for Women, and Gayatri Vidya Parishad Institute of Health Care and Medical Technology. The core value of all these institutions is providing value-based education.

## IQAC at GVPCDPGCA(A)

The institution has established an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC Cell of the institution became a part of the system and worked towards the realization of the goals of quality enhancement. The development and application of quality benchmarks and parameters for various academic and administrative activities of the institution are the major roles of the cell, and it operates under the guidance of peer members of the institution and a coordinator. It also aims at NAAC and NBA accreditations, organizing quality programs on campus, supporting faculty training for quality teaching, and promoting research sharing and networking with other institutions.

## Who can Apply

- Academicians those who want to gain a better teaching and educational experience.
- IQAC Coordinators who need to learn OBE philosophy to guide teachers in the Implementation of OBE.
- Faculty members who wants to identify their clear role as an instructor, trainer, facilitator, and/or mentor, based on the outcomes targeted.
- Teachers who want to gain knowledge in deriving the attainment of the course outcomes and improve quality in teaching.

## Topics Covered

- Curriculum Design
- Outcome-based Education
- Preparing Unit-level Learning Outcomes
- Outcomes-based Teaching-Learning Strategies
- Bloom's Taxonomy
- Outcomes-based Assessment Strategies
- Presentation of Unit level Question paper in Outcomes-based approach
- CO-PO-PEO-PSO Mapping
- Overview of NAAC SSR and SAR of NBA
- NAAC and NBA Criteria Comparisons
- Design of Question paper based on OBE alignment
- Work-Life Balance

## Objectives

- To train faculty members from both Engineering and Management disciplines on OBE methodologies.
- To offer hand-on training on writing Course Outcomes, Course Objectives and PEOs.
- To assist in the development of new assessment tools.
- To develop mechanisms for continuous quality improvement and monitoring.

## Outcomes

- Participants achieve a clear goal of what they need to teach during the course..
- Instructors can recognize several teaching and assessment techniques during their course.
- Participants will know how to involve them in classroom in learning so that they feel responsible for their own learning.
- Teachers gain knowledge in the outcome of the programs and how to map the Course Outcomes and Program Outcomes to gain the attainment level of each course they teach.
