**COMMENCE ON 28/12/2024**

**TIME : 9AM-4PM**

**VENUE : MBA LAB**

Gayatri Vidya Parishad College for Degree and PG Courses (A) Department of MBA-BA has conducted a one-day Power BI workshop on 28<sup>th</sup> December, 2024, aimed at enhancing the Analytical and visualization skills of participants, particularly in the field of Business Analytics. The workshop covered a comprehensive range of topics, from foundational concepts to advanced techniques in Power BI. This report provides an overview of the sessions held during the workshop, highlighting key insights and takeaways.

The goal of this workshop is to help the participants understand the essential skills required to conduct an analysis based on raw data.

### **Objectives of the Workshop**

- To help the participants to understand fundamentals of Power Bi.
- To help the participants to know the data tools and techniques in power Bi.
- To help the participant generate dash boards and import data on to cloud platform.

## Conclusion

The workshop provided a comprehensive and interactive learning experience for all students. Through a combination of theoretical sessions and practical exercises, participants gained valuable insights and skills necessary for generating high-quality dash boards . The workshop successfully achieved its objectives of enhancing participant's capabilities and fostering a deeper understanding of Power Bi.
