MEMORANDUM OF UNDERSTANDING (MoU)

Between

MicGene Lab, Visakhapatnam

&

Department of Microbiology, Biotechnology & Biochemistry
Gayatri Vidhya Parishad College for Degree and PG Courses (A)

This Memorandum of Understanding (MOU) sets for the terms and understanding between the MicGene Lab and the Department of Microbiology, Biotechnology & Biochemistry, Gayatri Vidya Parishad College for Degree and PG Courses (A). The MoU is intended to recognize the general basis for a cooperative and a collaborative working relationship between the two parties.

Background

MicGene Lab and the Gayatri Vidya Parishad College for Degree and PG Courses (A) are working together since 2017 for the betterment of the student community for imparting the practical knowledge in molecular biology and rDNA technology domain, as this is a continuous process, there is an importance of having an MoU.

Purpose

This MOU will have mutual intentions to jointly work on projects required to meet the industrial requirement and research needs, with learned faculty of good industrial expertise and promising students. This helps both the organizations to jointly agree to exchange their expertise for mutual benefit and growth.

The above goals will be accomplished by undertaking the following activities:

- Special Technical Training to make the students industry-ready
- Mini Projects
- Hands on training on the latest equipment used in rDNA technology.

Funding

This MOU does include the reimbursement of funds from the Gayatri Vidhya Parishad College for Degree and PG Courses (A) to MicGene Lab upon satisfactory services.

Duration: This MOU shall be effective from 1st July 2017 onwards for 3 years of period (i.e., 1-7-2017 to 31-6-2020). This MOU is at-will and may be modified by mutual consent of authorized officials. This MOU shall become effective upon signature by the authorized officials and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials, this MOU shall end on 31st June 2020.
